- Unknown: 13%

**Major challenges impeding resettlement**

- No support from government and humanitarian actors: 83%
- Safety and security: 17%

The Protection Monitoring data used to generate the above infographics was collected by UNHCR and UNFPA. The data was collected through Key Informant (KI) interviews. The KIs that participated in this assessment had good grasp of the protection profile of the IDP sites. If you have questions and comments, feel free to contact Feven Zerihun (fzerihun@unicef.org), Noah Sempira (sempiira@unhcr.org), and Dula Duguma (duguma@unhcr.org).
