Good Practices and lessons learnt on:

- **Coordination:** How have humanitarian, development, human rights and peace actors coordinated their efforts to design and implement more effective, collaborative and joint legal aid interventions aimed at ensuring a coordinated engagement with informal justice systems in humanitarian settings?
- **Partnership:** How have protection actors enhanced the sustainability of their legal aid and access to justice interventions with informal justice systems and mechanisms? Which forms of partnership have been designed and implemented to ensure ownership of access to justice strategies?
- **Access to hard-to-reach population:** has the engagement with informal justice system proven to be able to address and respond to the needs of hard-to-reach population? If yes, how?
